

KU North Sydney Vacation Care Programs

KU Children's Services

KU Children's Services (KU) is a not-for-profit organization and a registered charity with over 110 years experience in the provision of children's services.

KU is a major early childhood organisation with management responsibility for over 154 early childhood services. These include pre-schools, long day care centres, mobile units, occasional care, school-aged care, work-based child care and the Adult Migrant English Program – child care services for children of parents attending English classes.

KU is pleased to offer North Sydney Council our services in the management and operation of its 3 Vacation Care programs.

Welcome

Handbook

In order to book into the current program please read the Handbook with details of the enrolment procedures and information needed to use the program, including explanations of policies and procedures.

Enrolment Form

Complete and return an Enrolment form per child this will be kept on record and only needs to be updated if information changes or on an annual basis.

Booking Form

To book into specific days and activities please complete and return a booking form with payment, each booking form can accommodate 2 children per family, for further children complete additional booking forms.

Medical Form

If your child has medical needs, please refer to the Handbook and complete and return the Authorisation and Administration of medication and medical procedures. Form CS36

Should require further assistance please email: KUNSVaccare@ku.com.au
Or you may telephone the Vacation Care Coordinator on: 0428696743.

Thank you for joining us as we work with you in the provision of a fun and fantastic program of School Holiday activities for the children.
