

# KU Consulting

## Specialist Early Childhood Education and Care Consultancy Services

Experience | Expertise | Professionalism

### About KU

Established in 1895, KU Children's Services (KU) was the first provider of early childhood education in Australia and has operated continuously for over 125 years. Today, KU is one of Australia's largest not for profit providers of early childhood education. All KU centres have been independently assessed as amongst the highest quality in the country, with 100% of centres meeting or exceeding the National Quality Standards.

KU provides specialist advice to the corporate, private, community and government sectors, drawing on our expertise in the delivery of high quality educational programs. We are proud to be a trusted advisor to some of Australia's largest organisations.

### KU Consulting

KU Consulting is delivered by the KU Business Development Team, providing advice and support, tailored to suit the client's individual needs, on a fee for service basis.

Working with corporate clients, local councils, government, architects, employers and developers, the dedicated team of consultants supports the changing needs of the early childhood education sector in Australia.

### Our Services

Services offered to clients include but are not limited to:

- ▶ Supply and demand analysis
- ▶ Review of policies and procedures
- ▶ Feasibility analysis
- ▶ Assessment and Rating preparation

- ▶ Review of early childhood business plans
- ▶ Centre design and fit-out (concept and detail)
- ▶ Development Application/Town Planning Application preparation and advice
- ▶ Detailed service modelling and budgeting
- ▶ Equipment procurement (recommendations, sourcing and purchasing)
- ▶ Licensing, funding and regulatory application and approval
- ▶ Stakeholder communication and waiting list management
- ▶ Service management and operation

*"I can personally attest to the consistency of the professional integrity, validity and comprehensive nature of KU Consulting reports. They have paid great attention to detail and relevant childcare legislation. Reports have been provided by different consultants, however all to the same high standard."*

*– Helen Campbell, Manager Community Development, North Sydney Council*

*"I engaged KU to support me with determining how the provision of our Occasional Care service would be affected in light of the upcoming new regulations. KU Consultancy were thorough and provided me with 3 models of what our service might look like. They were always prompt, explained things in a way I understood, were available to answer any questions I had, and gave really helpful recommendations. Highly recommended!"*

*– Marianne Wangira, Manager West Footscray Neighbourhood House, VIC*
