NORTH SYDNEY COMMUNITY CENTRE VACATION CARE (7 to 12 years)

- All Excursions/Incursions have set numbers: Places will be offered/confirmed on a first in, first served basis to successful applicants.
  
- **Excursions**
  It is very IMPORTANT that all children be at the centre by **no later than 9:00am on an Excursion Day** – this is so that all children can have maximum time at the venue and booking times can be met. In instances where children are late, they will unfortunately miss out on the activity and there will be no refunds provided in this case.

- **Reminder**
  Please note that children are not permitted to bring money to Vacation Care, even on excursions. Due to safety and supervision we will not allow them to make any purchases.

Centre Days at North Sydney Community Centre

This holiday period, we are planning lots of great activities for when the children are at the centre. Each day we will be doing all or some of the following:

- **Cooking**
  Each day we cook at least one recipe and this program will be exploring healthy, fun options as well as the occasional sweet treat. These holidays we are also having a Mexican Master Chef Day and the children will be making decorations and a Piñata in readiness for this day, as part of their art and craft experiences.

- **IT**
  We have a one hour IT/Electronics Time in the afternoon after 3:00pm dependant on the children and what they are currently involved with. Please note this is for children who bring their own piece of IT equipment - we monitor how much screen time is made available, recognising that our survey some years ago found this is still acceptable in holidays to have some IT down time.

- **Sports and Games**
  As always we offer a range of board games, puzzles and general sport activities such as soccer, cricket, handball and badminton.

- **Art and Craft**
  We offer a large range of creative opportunities for all, including painting and collage. This holidays the children will be exploring their creativity via woodwork (making a scooter board), clay (making small animals etc), and knitting – If you have any balls of wool that you can donate to the children it would be greatly appreciated.

- **Routine Excursions**
  As our centre is close in proximity to Stanton Library, St Leonards Park and the Tennis Courts, at times and always within ratio, we take smaller groups of children to these venues, enjoying the opportunity for a quiet read or a run in the open park.

- All Excursions/Incursions have set numbers: Places will be offered/confirmed on a first in, first served basis to successful applicants.

- **Excursions**
  It is very IMPORTANT that all children be at the centre by **no later than 9:00am on an Excursion Day** – this is so that all children can have maximum time at the venue and booking times can be met. In instances where children are late, they will unfortunately miss out on the activity and there will be no refunds provided in this case.

- **Reminder**
  Please note that children are not permitted to bring money to Vacation Care, even on excursions. Due to safety and supervision we will not allow them to make any purchases.

**Centre Days at Forsyth Park**

This holiday period we are planning lots of great activities for when the children are at the centre. Each day we will be doing all or some of the following:

- **Cooking**
  Each day we cook at least one recipe and this program will be exploring healthy, fun options as well as the occasional sweet treat.

- **Sports and Games**
  As always, we offer a range of board games, puzzles and general sport activities such as soccer, cricket, handball, badminton or martial arts with Alan and Meditation with Dave.

- **IT**
  Children will have the opportunity to play our X box or use their own IT device. We monitor how much screen time is made available, recognising that our survey some years ago found it is still acceptable in holidays to have some IT down time.

- **Art and Craft**
  We offer a large range of creative opportunities for all, including knitting, box construction, painting and collage. If you have clean boxes or unwanted art materials for the children’s collages, please bring them along. The children are so excited to be able to reuse resources that would otherwise go to landfill.

- **Routine Excursions**
  At times and always within routine excursion ratio, we take smaller groups of children to such venues as Stanton Library, St Leonards Park, Forsyth Oval and Montpellier Community Garden.

- **A Quiet Read**
  We have collected some cushions to create a quiet space, so feel free to bring your favourite book or check our book selection.
